

Driven to Succeed.

FITZ - THORS MECHANICAL, INC.
10097 BROSE DRIVE
VANCE, ALABAMA 35490

EFFICIENT. EFFECTIVE.

To SOME these words are key to coining a good CATCH-phrase.

To industry LEADERS competing in today's GLOBAL market the words are the KEY to creating top manufacturing processes.

Success in design is allowing our customers to achieve BETTER quality product, FASTER than ever before, at CHEAPER production cost.

At Fitz-Thors, our mission is to build a well-respected company reputation based on relationships. Our customers will receive superior service in evaluating their existing equipment and processes and providing the lowest cost, highest quality service with the optimum use of technology for any budget. Our employees will receive first-class training, benefits, and work atmosphere in order to recruit and retain the best professionals for each task required for Fitz-Thors Mechanical to be a market leader.
